Link to the [List of final entries](#) (two participants have withdrawn their registration)

We are happy to welcome 33 competitors for F3P-A class. The top 10 of the competitors will enter finals.

26 competitors will compete in the F3P-AFM class. The top 10 of the competitors will enter finals.

## ORGANIZER AND LOCATION

---

The World Championships will be organized by the F3P WC 2025 Organizing Committee on behalf of the Swiss Aeroclub and the Swiss Aeromodelling Federation SMV.

The event will take place at Burkertsmatt Sports Arena located in Widen, where several FAI F3P World Cups have taken place so far.

Exact GPS Position of the site:  
47.36836893319074  
8.368078084281946

The Burkertsmatt Sports Arena is located in Widen, a small but nice town with approx. 4000 citizens east and above the valley of the river Reuss. From Widen, it takes 10 Minutes by car to Bremgarten, a scenic village with a beautiful old town. The driving distance from Widen to Zürich is 16 km and to Kloten Zürich Airport 22 km.

The Burkertsmatt Sports Arena, which opened in 2012, has a modern infrastructure and makes every athlete's heart beat faster. The sports hall itself offers space for over 1000 spectators.

Available space for the F3P event at the Burkertsmatt Sports Arena is:  
48.6 m length, 28 m width, 9 m height

Those dimensions are fulfilling the requirements set in the Sporting Code.

Note: Models can be stored in the designated areas of the sports arena starting Friday, January 31 after 16:00 hours. The sports arena will be prepared for the competition, therefore, flying will not be possible.

## ANTI-DOPING

---

If a competitor has to take, for medical conditions, any of the substances listed on the WADA Prohibited List, he must have a Therapeutic Use Exemption (TUE) approved by FAI which will issue the TUE Certificate. Since the Prohibited List is updated by WADA not on a constant base, it is recommended to review from time to time the full section for Anti-Doping in the FAI Web site, <https://fai.org/anti-doping>. There, you will find all the necessary information.

There will be 2 kits of WADA compatible standard medication available at the welcome desk.

Team managers are required to bring any special and WADA compatible medication for their team members with them, if needed.

## F3P-AFM CLASS Music files

---

In order to assist organizers and guarantee smooth preparation for the F3P-AFM official trainings and competition, organizers request:

- To upload music files (mp3 format) to organizers website until latest 25<sup>th</sup> January.

Note! Please include the initiating signals (beeps) within your schedule. This will assist the time keeper to identify when the actual time is starting. The timer will start counting at the beginning of the music which has to start right after the last initiating signal (three beeps with interval of 1 second are recommended).

Note! It is permitted to perform different programs in conjunction with different music in each round. For Final flights at WC, it's obligatory to have two different programs, schedule 1 and schedule 2, in conjunction with differently arranged music. Schedule 1 must be flown in final round one and three, schedule 2 in final rounds two and four.

## REGISTRATION OF THE NATIONAL TEAMS

---

The team-manager needs to bring for the registration at the arrival day of his national team:

- National flags for the Opening Ceremony (approx. 100cm x 150cm or 3 ft width by 5 ft length)
- National anthem in mp3 format must be uploaded to the competition web site
- AFM music in mp3 format must be uploaded to the competition web site
- The Model Aircraft Specification Certificates will be required for processing of the models

The Team Manager will receive at the registration for his team:

Accreditation Cards, Lunch and Banquet vouchers, Welcome Bags, etc.

## REGISTRATION AND MODEL PROCESSING

---

The rules and timetable regarding the preparation of the model aircraft for the competition (including model processing procedure) can be found on the competition website: [Downloads](#)

Note: According to a change in the CGR C.11.1 **it is not necessary to have national identification mark followed by the FAI Unique ID number with at least at least 25 mm high letters on F3P models.**

## MODEL AIRCRAFT SPECIFICATIONS CERTIFICATES

---

All models must be processed by the competitor's NAC in accordance with CIAM General Rules C.12. Model aircraft not properly processed by the NAC, with FAI certificates and stickers, will be processed by the organizer at a cost of 8 Euros for each model.

## FAI SPORTING LICENCE

---

Each competitor and team manager must possess a FAI Sporting Licence valid for 2025 and especially for the period of the event. Competitors and team managers shall be listed in the FAI Sporting Licence database. The unique FAI ID number shall be provided during the registration period. Necessary information can be retrieved at the following link <https://fai.org/sporting-licences>

The holder of a FAI Sporting Licence may be required to present an official document bearing his photograph and signature as proof of identity.

## PRACTISE TIMETABLES

---

The time allocated for each team is based on the number of competitors of each team. The official training will take place at the main hall. Please be ready at the designated time.

Timetables can be found under: [Downloads](#)

Details for training for those who will take part at the finals will be distributed during the event.

## OFFICIAL LANGUAGE

---

The official language will be English. For the Swiss audience announcements in German may occur.
