Loire Valley Trophy F5J 2024

The sporting, social and culinary highlight of the year in France

Anyone who has ever been to the Loire Valley Trophy in France knows that this competition is not only the sporting highlight of the year in the F5J scene, but also the social and cultural highlight.

If you want to train a lot and complete many competition flights at the highest level on a huge and demanding airfield, this is the right place for you. 7 days of flying with 2 competitions in a row. You could arrive and train as early as July 1st. On July 3rd and 4th there was the traditional preliminary competition with 10 preliminary rounds and 3 fly-offs. Here, beginners can also gain international competition experience in a smaller group or they can prepare ideally for the main competition under competitive conditions.

On July 5th there was another training day and on July 6th and 7th the FAI World Cup and CONTEST Eurotour competition took place with 61 participants from 7 countries.

Of course, there is plenty of time during the 7 days to talk to all the other participants, which is something that is usually neglected in other competitions due to the tight schedule, and so the Loire Valley Trophy is also the social highlight of the year, crowned by a fantastic meal.

Just look at the following pictures and it will become clear that a long trip to France will definitely be worth it. And if you have 2 or 3 more days, you can also visit the beautiful city of Angers and the Loire Valley region. This competition can be an unforgettable experience for the whole family.
